

12th of April 2020

Dear all,

Information regarding COVID-19 and the WTC 2021.

Due to the unforeseen situation with the COVID-19 pandemic we would like to inform you that we are still planning for the WTC2021 to take place in March 2021.

Australian Taïdo Association follow the recommendations made by the Australian Government and Health Ministry regarding COVID-19 and may cancel or postpone the WTC2021 if necessary.

We appreciate this is uncertain and challenging times and we encourage you to stay positive and continue to plan for the event, we are all in the same situation

For example, the Australian Taïdokas cannot train Taïdo together at all the moment as group activities are prohibited and the Australian people are asked to stay home as much as possible. The measures taken by the Australian authorities seems to have slowed down the infection rate and we are hopeful we can train together soon again. Our Taïdokas are all in good spirits and do what they can at home.

We trust you have patience with this situation and we wish you all the best during this epidemic.

Should you have any questions or concerns please do not hesitate to email us.

Please stay safe and healthy.

Kind regards,

Louise Carlsson

Chairman Organising Committee WTC2021
